In the [A]chilly hours and [D]minutes  
Of un [A]certainty, I [D]want to be  
[A]In the warm hold [D]of your [E]loving [A]mind [E]  
To [A]feel you all a [D]round me  
And to [A]take your hand a [D]long the sand  
[A]Ah, but I may as well [D]try and [E]catch the [A]wind [D] [A]

When [A]sundown pales the [D]sky  
I [A]want to hide a while be [D]hind your smile  
[A]And everywhere I'd [D]look, your [E]eyes I'd [A]find [E]  
For [A]me to love [D]you now  
Would [A]be the sweetest thing, 'twould [D]make me sing  
[A]Ah, but I may as well [D]try and [E]catch the [A]wind [D] [A]

When [A]rain has hung the leaves [D]with tears  
I [A]want you near to [D]kill my fears  
[A]To help me to [D]leave all my [E]blues be [A]hind [E]  
For [A]standing in your [D]heart  
Is [A]where I want to be and [D]long to be  
[A]Ah, but I may as well [D]try and [E]catch the [A]wind [D] [A]
