

# Happy Together

11aug13

Imagine [Gm]me and you, I do  
I think about you [F]day and night, it's only right  
To think about the [Eb]girl you love and hold her tight  
So happy to [D]gether

If I should [Gm]call you up, invest a dime  
And you say you [F]belong to me and ease my mind  
Imagine how the [Eb]world could be, so very fine  
So happy to [D]gether

[Gm]I can't see me [Dm]lovin' nobody but [G]you, for all my [Bb]life  
[G]When you're with me, [Dm]baby the skies'll be [G]blue, for all my [Bb]life

Me and [Gm]you and you and me  
No matter how they [F]toss the dice, it has to be  
The only one for [Eb]me is you, and you for me  
So happy to [D]gether

[Gm]I can't see me [Dm]lovin' nobody but [G]you, for all my [Bb]life  
[G]When you're with me, [Dm]baby the skies'll be [G]blue, for all my [Bb]life

Me and [Gm]you and you and me  
No matter how they [F]toss the dice, it has to be  
The only one for [Eb]me is you, and you for me  
So happy to [D]gether

[G]Ba-ba-ba-ba [Dm]ba-ba-ba-ba ba-ba- [G]ba ba-ba-ba- [Bb]ba  
[G]Ba-ba-ba-ba [Dm]ba-ba-ba-ba ba-ba- [G]ba ba-ba-ba- [Dm]ba

Me and [Gm]you and you and me  
No matter how they [F]toss the dice, it has to be  
The only one for [Eb]me is you, and you for me  
So happy to [D]gether

[Gm]So happy to [D]gether [Gm]  
How is the [D]weather [Gm]  
So happy to [D]gether [Gm]  
We're happy to [D]gether [Gm]
