

IT'S ALL OVER NOW

G

Well, my baby used to stay out all night long
She made me cry, you know she done me wrong
She hurt my eyes open, that's no lie
Tables turning now it's her turn to cry

Because I used to love her, but it's all over now

You know I used to love her, but it's all over now

Well, she used to run around with every man in town
Spent all my money, playing her high class game
She put me out, it was a pity how I cried
Tables turning now it's her turn to cry

Well, I used to wake each morning, get my breakfast in bed
When I got worried she would ease my aching head
But now she's here and there, with every man in town
Still trying to take me for that same old clown
