

**C**                      **G7**                      **C6**                      **G7**  
I'm leaning on a lamp, maybe you think, I look a tramp,

**G7**                      **C**                      **D7**                      **G7**  
Or you may think I'm hanging 'round to steal a car.

**C**                      **G7**                      **C6**                      **G7**  
But no I'm not a crook, And if you think, that's what I look,

**G7**                      **C**                      **D7**                      **G7**  
I'll tell you why I'm here, and what my motives are.

**C**  
I'm leaning on a lamp-post at the corner of the street,

**C**                      **G7**                      **C**  
In case a certain little lady comes by.

**G7**    **C**    **G7**                      **D7**                      **G**  
Oh me, oh my, I hope the little lady comes by.

**C**  
I don't know if she'll get away, She doesn't always get away,

**C**    **G7**                      **C**  
But anyhow I know that she'll try.

**G7**    **C**    **G7**                      **D7**                      **G**  
Oh me, oh my, I hope the little lady comes by,

**G7**  
There's no other girl I would wait for,

**C**  
But this one I'd break any date for,

**D7**  
I won't have to ask what she's late for,

**D7 Dm6** **G7**  
She wouldn't have to leave me flat, She's not a girl like that.

**G7** **C**  
Oh, she's absolutely wonderful, and marvellous and beautiful.

**C** **G7** **C7**  
And anyone can understand why,

**F**  
I'm leaning on a lamp-post at the corner of the street

**F** **C** **G7** **C**  
In case a certain little lady passes by.
