## Leaning on a Lamppost

**C**                      **G7**                      **C6**                      **G7**  
I'm leaning on a lamp, maybe you think, I look a tramp,

**C**                      **D7**                      **G7**  
Or you may think I'm hanging 'round to steal a car.

**C**                      **G7**                      **C6**                      **G7**  
But no I'm not a crook, And if you think, that's what I look,

**C**                      **D7**                      **G7**  
I'll tell you why I'm here, and what my motives are.

### *Chorus*

**C**  
I'm leaning on a lamp-post at the corner of the street,

**C**                      **G7**                      **C**  
In case a certain little lady comes by.

**G7**    **C**    **G7**                      **D7**                      **G**  
Oh me, oh my, I hope the little lady comes by.

**C**  
I don't know if she'll get away, She doesn't always get away,

**G7**                      **C**  
But anyhow I know that she'll try.
