

She Belongs To Me - Bob Dylan

[G]She's got everything she needs
She's an [C]artist, she don't look [G]back [C]-[G]
She's got [C]everything she needs
She's an artist, she don't look [G]back [C]-[G]
She can take the [A]dark out of night-time
And [C]paint the daytime [G]black. [C]-[G]

[G]You will start out standing
[C]Proud to steal her anything she [G]sees [C]-[G]
You will [C]start out standing
Proud to steal her anything she [G]sees [C]-[G]
But you will [A]wind up peeking through her keyhole
[C]Down upon your [G]knees. [C]-[G]

[G]She never stumbles
[C]She's got no place to [G]fall [C]-[G]
She [C]never stumbles
She's got no place to [G]fall [C]-[G]
She's [A]nobody's child
The [C]Law can't touch her at [G]all. [C]-[G]

Link - Harp over 1 verse

[G]She wears an Egyptian ring
[C]That sparkles before she [G]speaks [C]-[G]
She [C]wears an Egyptian ring
That sparkles before she [G]speaks [C]-[G]
She's a [A]hypnotist collector
You are a [C]walking [G]antique. [C]-[G]

[G]Bow down to her on Sunday
[C]Salute her when her birthday [G]comes [C]-[G]
Bow [C]down to her on Sunday
Salute her when her birthday [G]comes [C]-[G]
For [A]Halloween buy her a trumpet
And for [C]Christmas, give it a [G]drum. [C]-[G]
